# Evans School Policy Analysis and Research (EPAR) 

## LSMS - INTEGRATED SURVEYS ON AGRICULTURE <br> UNITED REPUBLIC OF TANZANIA: GENDER APPENDIX

Professor Leigh Anderson, Principal Investigator
Associate Professor Mary Kay Gugerty, Principal Investigator

Claire Kpaka, Amy Pennington, Mary Kay Gugerty, \& C. Leigh Anderson
Prepared for the Agricultural Policy Team of the Bill \& Melinda Gates Foundation

## Appendix: LSMS-ISA: Gender

The tables below provide the details for analysis done in EPAR Brief \#190, including 95\% confidence intervals, the number of observations, and $p$-values where available.

## Table of Contents

Household Composition of Male- and Female-Headed Households ..... 2
Education and Nutrition by Gender of Household Head ..... 3
Crop Cultivation and Sales by Gender of Household Head ..... 4
Productivity and Yields by Gender of Household Head ..... 7
Input Usage Rates by Gender of Household Head ..... 9
Hired Labor by Gender of Household Head ..... 10
Gender of Hired Laborers ..... 11
Non-Agricultural and Agricultural Household Labor Allocation ..... 12
Household Farm Labor Days by Gender of Worker ..... 13
Zonal Analysis of Household Farm Labor Days by Gender of Worker ..... 14
Analysis by Crop of Household Farm Labor Days by Gender of Worker ..... 17
Analysis of Household Farm Labor by Gender of Household Head ..... 18

| Proportion of Female-headed Households, Agricultural and Non-agricultural Households* |  |  |  |  |
| :--- | :--- | :--- | :--- | :--- |
| Household | Estimated |  |  | Wald Test |
| Category | Proportion of HHs | $95 \%$ C.I. | Number of Observations | P-value |
| Agricultural | $25 \%$ | $[23 \%, 27 \%]$ | 596 out of 2474 | 0.053 |
| Non Agricultural | $29 \%$ | $[25 \%, 33 \%]$ | 224 out of 791 |  |

*Significantly different from national mean at the 0.1 level

| Proportion of Agricultural Households that are Female Headed, by Zone |  |  |  |
| :--- | :--- | :--- | :--- |
| Zone | Estimated Proportion | 95\% C.I. | Number of <br> Observations |
| Northern | $29 \%$ | $[24 \%, 35 \%]$ | 106 out of 367 |
| Southern Highlands | $27 \%$ | $[21 \%, 32 \%]$ | 94 out of 348 |
| Southern | $27 \%$ | $[21 \%, 32 \%]$ | 122 out of 459 |
| Lake | $25 \%$ | $\{19 \%, 31 \%]$ | 62 out of 253 |
| Central | $24 \%$ | $[18 \%, 30 \%]$ | 33 out of 136 |
| Eastern | $24 \%$ | $[18 \%, 29 \%]$ | 68 out of 307 |
| Western | $19 \%$ | $[15 \%, 23 \%]$ | 61 out of 323 |
| Zanzibar | $17 \%$ | $[13 \%, 22 \%]$ | 50 out of 281 |

| Mean Number of Adults 18 \& Older in Household, by Household Category and Gender of Head |  |  |  |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: |
